VITA

Name   : Miss Wanida Hemakul

Degree   : B.Sc.(Hons.) in Mathematics, 1970
               Chulalongkorn University, Bangkok, Thailand.

Scholarship : University Development Commission (U.D.C).
               Thai Government, 1972-1973.

Position   : Instructor in the Department of Mathematics.
               Faculty of Science, Chulalongkorn University.
