VITAE

Miss Napanporn Vallapa was born in Chumphon, Thailand, on February 3rd, 1981. She received Bachelor Degree of Science (Chemistry) from the Department of Chemistry, Faculty of Science, Srinakharinwirot University in 2004. In the same year, she started as a Master Degree student with a major in Program of Petrochemistry and Polymer Science, Faculty of Science, Chulalongkorn University and acquired the Master Degree in Science in 2007.
