VITA

Mr. Dhavatchai Kotrajaras attended College of Engineering, Chulalongkorn University in 1961 where he received his Bachelor of Engineering (Electrical Communication Engineering) in 1965. After graduation he took a job as an electrical engineer at the Electronic Instrumentation Division, Office of Atomic Energy for Peace. A year later he was admitted to take the post graduate course in Professional Engineering at the same college and received a Graduate Diploma in Electrical Engineering in 1967. Now he is working as a part time graduate student towards the degree of Master of Engineering at the Graduate school of Chulalongkorn University.
