1. Dictionary of Activities

**2. Percentage of time in each activity
and Activity Driver**

Dictionary of activity

Type of service: General Patient Clinic

Main activities	Code	Detailed Activities	Activities Description
1.1 General Patient services	GCS01	1.1.1 Medical Record activity	<ol style="list-style-type: none">1) To inform process of services to patient and relations by public relation nurse.2) To classify patient follow type of services, i.e. Dressing wound, OPD clinic, Dental service, health promotion service, etc.3) To record patient information in case of new patient.4) To check health insurance scheme of patient.5) To search Medical Record folder (OPD card) for old patient.6) To register patient information in STAT software in computer and print out new Medical Record Folder (for new patient) and drug prescription record form.

Main activities	Code	Detailed Activities	Activities Description
			<p>7) To send patient and own Medical Record folder (OPD card) to Patient Screening Department.</p> <p>8) To collect Medical Record Form (OPD card) after patient already obtained services to shelf of OPD card.</p>
	GCS02	1.1.2 Patient Screening	<p>1) To get OPD card from patient and to order patient</p> <p>2) To check the error of OPD card, if found the problem, for example, name and own patient not correct, then turn OPD card to Medical Record Department.</p> <p>3) To ask patient about chief complain, disease and drug allergy history and record in OPD card.</p> <p>4) To measure Vital Sign and evaluate symptom of patient</p> <p>6) First aid for severe patient</p> <p>7) To send patient and OPD card meet physician</p>

Main activities	Code	Detailed Activities	Activities Description
			8) To give health education for each patient
	GCS03	1.1.3 Diagnosis/Treatment	1) Diagnosis and Treatment by physician 2) Nurse help physician for specific investigation 3) To send OPD card and patient to specific investigation, i.e. Laboratories Diagnosis or Radiology service, etc. 4) To check completeness of Medical Record and Physician 'Order. 5) To send patient to get some service from other department, i.e. Dressing Wound, etc.
	GCS04	1.1.4 Patient Discharge	1) To give suggestion about disease, self-care of patient 2) To record the follow up card and give to patient. 3) To send OPD card and patient to Pharmacy Department or other hospital.

Main activities	Code	Detailed Activities	Activities Description
	GCS05	1.1.5 Laboratories Diagnosis	1) To obtain OPD card and patient from OPD. 2) To keep specimen of patient from patient. 3) To test specimen follow physician' order. 4) To record result into OPD card. 5) To send OPD card and patient back to OPD.
	GCS06	1.1.6 Radiology	1) To obtain OPD card and patient from OPD. 2) To prepare patient for radiation. 3) To radiate patient 4) To operate the radiated film 5) 5) To send OPD card and patient back to OPD.
	GCS07	1.1.7 Pharmacy Dispensation	1) To obtain drug prescription from patient 2) Print out drug label and prepare drug 3) To check error of drug 4) To dispense drug and give suggestion about drug indication, drug use, side effect of drug.

Main activities	Code	Detailed Activities	Activities Description
1.2 quality improvement activity	GCQ01	1.2.1 Quality Improvement Activity	1) OPD' members review about problem of service' process. 2) OPD' member set the policy or standard operating procedure manual for problem solving. 3) To evaluate and monitor the result
1.3 knowledge improvement activity	GCK01	1.3.1 Knowledge Improvement Activity	1) To set knowledge improvement plan for each Fiscal Year 2) To set knowledge conference for OPD team 3) If there are mortality case or morbidity case, then OPD team had to set the case conference
1.4 human resource management	GCP01	1.4.1 Internal Conference	1) Head of OPD set the internal conference about policy and regulation of hospital to OPD member. 2) OPD member suggest the problem and the way to solve those problem.

Main activities	Code	Detailed Activities	Activities Description
	GCP02	1.4.2 Personal Evaluation	1) Head of OPD evaluate work performance of each OPD members. 2) Head of OPD report the result of personal evaluation to Head of Nurse Department.
	GCP03	1.4.3 Workforce Management	1) Head of OPD set Workforce and Budget planning in every Fiscal Year 2) Head of OPD support workforce of own department for specific project to other department
1.5 medical equipment operation	GCE01	1.5.1 Medical Equipment Preparation	1) To prepare Diagnosis/Treatment, Patient Screening area and equipment. 2) To test quality and maintenance Medical equipment 3) To write user' manual for each medical equipment 4) If Medical equipment break down, then contact General Administrative Department 5) To do the Medical equipment account.

Main activities	Code	Detailed Activities	Activities Description
	GCE02	1.5.2 Medical Equipment Requisition	<p>1) To request non-drug medical materials and non-medical material from General Administrative Department, Nursing Department, Pharmacy Department</p> <p>2) To obtain non-drug medical materials and non-medical material from those departments</p> <p>3) To collect those non-drug medical materials and non-medical material to OPD stock</p> <p>4) To distribute those non-drug medical materials and non-medical material to each clinic</p>

Type of service: Hypertension Patient Clinic

Main activities	Code	Detailed Activities	Activities Description
2.1 Hypertension Patient services	HCS01	2.1.1 Medical Record activity	<ol style="list-style-type: none"> 1) To inform process of services to patient and relations by public relation nurse. 2) To classify patient follow type of services, i.e. Dressing wound, OPD clinic, Dental service, health promotion service, etc. 3) To record patient information in case of new patient. 4) To check health insurance scheme of patient. 5) To search Medical Record folder (OPD card) for old patient. 6) To register patient information in STAT software in computer and print out new Medical Record Folder (for new patient) and drug prescription record form.

Main activities	Code	Detailed Activities	Activities Description
			<p>7) To send patient and own Medical Record folder (OPD card) to Patient Screening Department.</p> <p>8) To collect Medical Record Form (OPD card) after patient already obtained services to shelf of OPD card.</p>
	HCS02	2.1.1.2 Patient Screening	<p>1) To get OPD card from patient and to order patient</p> <p>2) To check the error of OPD card, if found the problem, for example, name and own patient not correct, then turn OPD card to Medical Record Department.</p> <p>3) To ask patient about: chief complain, disease and drug allergy history and record in OPD card.</p> <p>4) To measure Vital Sign and evaluate symptom of patient.</p> <p>6) First aid for severe patient</p>

Main activities	Code	Detailed Activities	Activities Description
			7) To send patient and OPD card meet physician 8) To give health education for each patient
	HCS03	2.11.3 Diagnosis/Treatment	1) Diagnosis and Treatment by physician 2) Nurse help physician for specific investigation 3) To send OPD card and patient to specific investigation, i.e. Laboratories Diagnosis or Radiology service, etc. 4) To check completeness of Medical Record and Physician 'Order. 5) To send patient to get some service from other department, i.e. Dressing Wound, etc.
	HCS04	2.11.4 Patient Discharge	1) To give suggestion about disease, self-care of patient 2) To record the follow up card and give to patient. 3) To send OPD card and patient to Pharmacy Department or other hospital.

Main activities	Code	Detailed Activities	Activities Description
	HCS05	2.1.5 Laboratories Diagnosis	<ol style="list-style-type: none"> 1) To obtain OPD card and patient from OPD. 2) To keep specimen of patient from patient. 3) To test specimen follow physician' order. 4) To record result into OPD card. 5) To send OPD card and patient back to OPD.
	HCS06	2.1.6 Radiology	<ol style="list-style-type: none"> 1) To obtain OPD card and patient from OPD. 2) To prepare patient for radiation. 3) To radiate patient. 4) To operate the radiated film 5) 5) To send OPD card and patient back to OPD.
	HCS07	2.1.7 Pharmacy Dispensation	<ol style="list-style-type: none"> 1) To obtain drug prescription from patient 2) Print out drug label and prepare drug 3) To check error of drug 4) To dispense drug and give suggestion about drug indication, drug use, side effect of drug.

Main activities	Code	Detailed Activities	Activities Description
2.2 quality improvement activity	HCQ01	2.2.1 Quality Improvement Activity	1) OPD' members review about problem of service' process. 2) OPD' member set the policy or standard operating procedure manual for problem solving. 3) To evaluate and monitor the result
2.3 knowledge improvement activity	HCK01	2.3.1 Knowledge Improvement Activity	1) To set knowledge improvement plan for each Fiscal Year 2) To set knowledge conference for OPD team 3) If there are mortality case or morbidity case, then OPD team had to set the case conference
2.4 human resource management	HCP01	2.4.1 Internal Conference	1) Head of OPD set the internal conference about policy and regulation of hospital to OPD member. 2) OPD member suggest the problem and the way to solve those problem.

Main activities	Code	Detailed Activities	Activities Description
	HCP02	2.4.2 Personal Evaluation	1) Head of OPD evaluate work performance of each OPD members. 2) Head of OPD report the result of personal evaluation to Head of Nurse Department.
	HCP03	2.4.3 Workforce Management	1) Head of OPD set Workforce and Budget planning in every Fiscal Year 2) Head of OPD support workforce of own department for specific project to other department
2.5 medical equipment operation	HCE01	2.5.1 Medical Equipment Preparation	1) To prepare Diagnosis/Treatment, Patient Screening area and equipment. 2) To test quality and maintenance Medical equipment 3) To write user' manual for each medical equipment 4) If Medical equipment break down, then contact General Administrative Department 5) To do the Medical equipment account.

Main activities	Code	Detailed Activities	Activities Description
	HCE02	2.5.2 Medical Equipment Requisition	<p>1) To request non-drug medical materials and non-medical material from General Administrative Department, Nursing Department, Pharmacy Department</p> <p>2) To obtain non-drug medical materials and non-medical material from those departments</p> <p>3) To collect those non-drug medical materials and non-medical material to OPD stock</p> <p>4) To distribute those non-drug medical materials and non-medical material to each clinic</p>

Type of service: Diabetes Mellitus Patient Clinic

Main activities	Code	Detailed Activities	Activities Description
3.1 Diabetes Mellitus Patient services	DCS01	3.1.1 Medical Record activity	<p>1) To inform process of services to patient and relations by public relation nurse.</p> <p>2) To classify patient follow type of services, i.e. Dressing wound, OPD clinic, Dental service, health promotion service, etc.</p> <p>3) To record patient information in case of new patient.</p> <p>4) To check health insurance scheme of patient.</p> <p>5) To search Medical Record folder (OPD card) for old patient.</p> <p>6) To register patient information in STAT software in computer and print out new Medical Record Folder (for new patient) and drug prescription record form.</p>

Main activities	Code	Detailed Activities	Activities Description
			<p>7) To send patient and own Medical Record folder (OPD card) to Patient Screening Department.</p> <p>8) To collect Medical Record Form (OPD card) after patient already obtained services to shelf of OPD card.</p>
	DCS02	3.1.1.2 Patient Screening	<p>1) To get OPD card from patient and to order patient</p> <p>2) To check the error of OPD card, if found the problem, for example, name and own patient not correct, then turn OPD card to Medical Record Department.</p> <p>3) To ask patient about: chief complain, disease and drug allergy history and record in OPD card.</p> <p>4) To measure Vital Sign and evaluate symptom of patient.</p> <p>6) First aid for severe patient</p>

Main activities	Code	Detailed Activities	Activities Description
			7) To send patient and OPD card meet physician 8) To give health education for each patient
	DCS03	3.1.3 Diagnosis/Treatment	1) Diagnosis and Treatment by physician 2) Nurse help physician for specific investigation 3) To send OPD card and patient to specific investigation, i.e. Laboratories Diagnosis or Radiology service, etc. 4) To check completeness of Medical Record and Physician 'Order. 5) To send patient to get some service from other department, i.e. Dressing Wound, etc.
	DCS04	3.1.4 Patient Discharge	1) To give suggestion about disease, self-care of patient 2) To record the follow up card and give to patient. 3) To send OPD card and patient to Pharmacy Department or other hospital.

Main activities	Code	Detailed Activities	Activities Description
