CURRICULUM VITAE

Name: Mrs. Rachaneewan TALUMASSAWATDI.

Date of Birth: 12th February, 1956.

Educations:

Ph.D., Program in Computer Science, Department of Mathematics, Chulalongkorn University, Bangkok, Thailand. (Ph. D. Candidate)

(June 2001 - March 2006).

M.Sc. Program in Computational Science, Department of Mathematics, Faculty of Science, Chulalongkorn University, Bangkok, Thailand.

(June 1998 - September 2000).

B.Sc. Program in Chemistry, Faculty of Science, Ramkamheang University, Bangkok, Thailand.

(June 1974 - September 1978).

Publication papers:

R. TALUMASSAWATDI and C. LURSINSAP. Fault Immunization Concept for Self-Organizing Mapping Neural Networks. *International Journal on Uncertainty, Fuzziness and Knowledge-Based Systems*, Vol. 9, No. 6, pp. 781-790, October 2001.

R. Talumassawatdi, P. Limchamroon and C. Lursinsap. Imputing Highly Sparse Data for Cluster Time-Series Forecasting of the Amount and Duration of Rainfall Using Similarity Measure and Expectation Maximization(EM), *International Conference on Intelligent Technologies 2004 (InTech'04)*, December 2-4, 2004, Houston, Texas, USA.

Scholarship: Doctorial candidate was fully supported by National Science and Technology Development Agency (NSTDA) of Thailand and National Electronics and Computer Technology Center (NECTEC).
