CURRICULUM VITAE

Name: Ms. Prariyada Theptat

Date of Birth: December 11th, 1988

Nationality: Thai

University Education:

2007-2011 Bachelor Degree of Chemical Engineering, Faculty of Science, Chulalongkorn University, Bangkok, Thailand.

2004-2007 Horwang School (Mathematic-Science program) Bangkok, Thailand.

Work Experience:

2010 Position: Research Assistant (Internship)
Company name: Siam Research and Innovation Co., Ltd., Saraburi, Thailand

Proceeding:

1. Theptat, P.; Chavadej, S.; and Scamehorn, J.F. (2013, April 23). The Effect of Chelating Agent Type on Equilibrium Solubility of Calcium and Magnesium Soap Scum in Different Surfactant Systems. Proceedings of the 4th Research Symposium on Petrochemical and Materials Technology and 19th PPC Symposium on Petroleum, Petrochemical, and Polymers, Bangkok, Thailand.
2. Theptat, P.; Chavadej, S.; and Scamehorn, J.F. (2013, April 29-30). A Comparison of Conventional and Biodegradable Chelating Agent in Different Type of Surfactant Solutions for Soap Scum Removal. Proceedings of the ICCBE 2013: International Conference on Chemical and Biochemical Engineering, Paris, France.
