BIOGRAPHY

Miss Wannasiri Wannarat was born on April 2, 1978 in Pattanee Province, Thailand. She finished her secondary school level at Suratthanee School in 1995 in Suratthanee Province. She graduated with Bachelor's degree in Biology from Faculty of Science, Chulalongkorn University in 1999. She has studied for a Master Degree in Zoology, Department of Biology, Faculty of Science, Chulalongkorn University since 2000.
