BIOGRAPHY

Mr. Sakon Sangpradub was born on May 25, 1956 in Bangkok. He graduated from Chulalongkorn University, Bangkok, in 1979 with Bachelor of Science Degree in Marine Science. After graduation, he has been working for the Royal Thai government in Department of Fisheries, Ministry of Agriculture and Cooperative since October 1979 until now.

Having been in the field of coastal aquaculture for over 10 years he is presently in the position of senior fisheries biologist of the Trat Coastal Aquaculture Station, Ao Chao, Trat Province.
