VITA

Mr. , Bhutorn Canyuk was born in the southern province of Trang, Thailand, on August 1966. He graduated from the Faculty of Pharmacy, Prince of Songkhla University, Had-Yai Campus, in 1991 and received the Bachelor of Science in Pharmacy with first class honors. He began his graduate study at Chulalongkorn University in the Department of Pharmaceutical Chemistry in the same year. After graduation from Chulalongkorn University, he worked in the Department of Pharmaceutical Chemistry, Faculty of Pharmacy, Prince of Songkhla University, Had-Yai Campus, Thailand.
