Miss Arunee Taptiang was born on June 19, 1960 in Trang. She received her Bachelor Degree of Science (Chemistry) from Faculty of Science, Prince of Songkla University in 1982. Since 1983, she has been a graduate student in Analytical Chemistry in Chulalongkorn University. During the study towards the Master's degree of Science, she was supported by Professor Dr. Tab Nilanidhi Foundation Scholarship in 1983 to 1985 and received a research grant for her Master degree's Thesis from the Graduated School of Chulalongkorn University.
