Vita

Miss Wimolpun Rungprom was born on February 19, 1975 in Bangkok, Thailand. She received the Bachelor of Science Degree in Chemistry at Chulalongkorn in 1996. Since 1996, she has been a graduate student studying Organic Chemistry at Chulalongkorn University. During her study towards the master's degree, she was awarded a teacher assistantship by the Faculty of Science during 1994-1996 and was supported by a research grant for her Master degree's thesis from the graduate School, Chulalongkorn University
