## VITA

Miss Saowaroj Thampairoj received her Bachelor Degree of Science in the field of Ceramic Engineering from Department of Chemical Technology, Faculty of Science, Chulalongkorn University in 1973 .

She has been joining the teaching staff in the Department of Materials Science, Faculty of Science, Chulalongkorn University since graduation .

In 1975, she joined the International Post Graduate University course in Chemistry and Chemical Engineering at Tokyo Institute of Technology, Tokyo, Japan .

She began her Master study in 1973 and completed the programme in 1978 .
