## VITA

Miss Imchit Boonumnuay was born on the 20<sup>th</sup> April 1953 in Banmi, Lopburi. She studied at Chulalongkorn University in the Department of Mathematics and graduated in the year 1975 with the degree of Bachelor of Science. And during 1975-1976, on her further study in Mathematics at Graduate School, Chulalongkorn University, she received the University Development Committee scholarship.
