BIOGRAPHY

Miss Kanokkarn Khanthong was born on April 18th, 1980 in Chonburi, Thailand. She graduated with a Bachelor degree in Industrial Engineering from Sirindhorn International Institute of Technology, Thammasat University in 1999. She started to study for a Master of Engineering and Master of Science in Engineering Management jointly offered by Chulalongkorn University, Thailand and University of Warwick, United Kingdom at The Regional Center for Manufacturing System Engineering. At that time, she was also working in a company which is a manufacturer of motor vehicles in Thailand.
