CURRICULUM VITAE

Name: Arubol Chotipong

Date of Birth: January 3, 1961

Nationality: Thai

University Education:

1979 - 1982 Diploma Degree (Analytical Chemistry Training), Faculty of Science, Chulalongkorn University, Bangkok, Thailand

1982 - 1984 Bachelor Degree of Science (Biology), Faculty of Science, Chulalongkorn University, Bangkok, Thailand

1988 - 1991 Master Degree of Science (Technology Environmental Management), Faculty of Environment and Resource Studies, Mahidol University, Bangkok, Thailand

Working Experience:

1984 - 1986 Position: Research Assistant
Company Name: Thailand Institute of Science and Technology
Research

1986 - 1988 Position: Scientist in Water Laboratory,
Company Name: Environmental Research Institute,
Chulalongkorn University

1988- Present Position: Researcher
Company Name: Environmental Research Institute,
Chulalongkorn University

Publications:

1. Chotipong, A., Scamehorn J.F. , Rirkksomboon T. , Supaphol P.and Chavadej, S.(2005) Removal of solvent-base ink by Alkyltrimethylammonium Bromides Part I: Effects of Surfactant concentration and alkyl chain length . Colloid Polym Sci.
2. Chotipong, A., Scamehorn J.F., Rirkksomboon T., Supaphol P.and Chavadej, S.Removal of Solvent-base Ink by Alkyltrimethylammonium Bromides Part II:Effects of pH, Temperature, and Salinity. Colloids Surf A Physicochem Eng Asp, accepted

Proceedings:

1. Chotipong, A., Scamehorn J.F., Rirkksomboon T., Supaphol P. and Kitiyanun, B. (2003, June 9-14) Effect of Concentration, pH and Temperature on Ink Removal from Printed High Density Polyethylene. Proceedings of ANTEC 2003, Nashville, USA.
2. Chotipong, A., Scamehorn J.F., Rirkksomboon T., Supaphol P. and Chavadej, S. (2004, October 17-21) Correlation of Zeta Potential of Ink and Ink Removal from High Density Polyethylene Sheets by Alkyltrimethylammonium Bromides. Proceedings of the 10th APCChE, Kitakyushu, Japan.
