VITA

Mr. Siripone Chue-inta was born on August 5, 1954 in Nan Province. He was awarded a B.Sc. in Chemistry in 1976 from Chiangmai University. During mid 1982, he attained a training course in Nuclear Chemistry at the Netherlands Energy Research Foundation, the Netherlands.

Mr. Siripone has been worked in the field of Environmental Pollution Studies using Nuclear techniques at the Waste Disposal Division, Office of Atomic Energy for Peace since 1978.
