Biography

Miss Patcharee Larpsuriyakul was born in Bangkok, Thailand, on March 12, 1977. She received a Bachelor of Science degree with a major in Materials Science from Chulalongkorn University in 1999. She started as a graduate student in the Department of Materials Science with a major in Applied Polymer Science and Textile Technology, Chulalongkorn University in June 1999, and completed the programme in May 2001.
