BIOGRAPHY

Mr.Sarawuth Thambunya was born on August 14, 1970 in Changwat Lopburi, central Thailand. During 1988 to 1991, he studied in the Department of Geological Sciences, Faculty of Science, Chiang Mai University, and received the Bachelor Degree (Geology) in October, 1991. After graduation, he works as geologist in the Geology Section, TPI Polene Public Company Limited, since 1991. From 1997, he has continued his study for Master Degree in the Department of Geology, Faculty of Science, Chulalongkorn University.
