## VITA

Miss Nuanjan Matchariyakul was born on 29th April 1963 at Amphur Wat-Pleng, Ratchaburi Province. She graduated in B.Sc.(Chemistry) from the Faculty of science, Prince of Songkhla University in 1987. She has enrolled at Multidisciplinary program of Petrochemistry-Polymer, Chulalongkorn University from 1990. After graduation until the present time, she has been working as government official at the Department of Science Service, Ministry of Science Technology and Environment, Bangkok.
