CURRICULUM VITAE

Name: Mr. Kodagoda Gamage Harinda Kodagoda

Date of Birth: March 03, 1977

Nationality: Sri Lankan

University Education:

1998-2002 Bachelor of Science in Engineering (Chemical and Process),
University of Moratuwa, Sri Lanka.

Work Experience:

2002-2006 Position: Production Engineer
Company name: Piramal Glass Plc, Sri Lanka

2006-Present Position: Chemical Engineer
Company name: Ceylong Petroleum Corporation, Sri Lanka

Proceedings:

1. Kodagoda G.H. Kodagoda, Siriporn Jongpatiwut, Thirasak Rirksomboon, Somchai Osuwan, Daniel E. Resasco. (2011, April 26) Aromatic Production from Syngas Using Physically Mixed Fe-based Fischer-Tropsch and Zeolite-Based Aromatization Catalysts. Proceedings for 2nd Research Symposium on Petroleum, Petrochemical and Advanced Materials and The 17th PPC symposium on Petroleum, Petrochemicals and Polymer. Bangkok, Thailand.

Presentations:

1. Kodagoda G.H. Kodagoda, Siriporn Jongpatiwut, Thirasak Rirksomboon, Somchai Osuwan, Daniel E. Resasco. (2011, April 11-14) Production of Aromatics from Syngas Using Fe-based Fischer-Tropsch and Pt/KL or HZSM5 Aromatization Catalysts. Poster presented at First EuCheMs Inorganic Chemistry Conference (EICC-1). Manchester, United Kingdom.
2. Kodagoda G.H. Kodagoda, Siriporn Jongpatiwut, Thirasak Rirksomboon, Somchai Osuwan, Daniel E. Resasco. (2011, April 26) Aromatic Production from Syngas Using Physically Mixed Fe-based Fischer-Tropsch and Zeolite-Based Aromatization Catalysts. Poster presented at 2nd Research Symposium on Petroleum Petrochemical and Advanced Materials and The 17th PPC symposium on Petroleum, Petrochemicals and Polymer. Bangkok, Thailand.
