## CURRICULUM VITAE

**Name:** Ms. Jeeranun Neungjumnong

**Date of Birth:** August 25, 1987

**Nationality:** Thai

**University Education:**

2006-2010 Bachelor Degree of Chemical Engineer, Faculty of Engineer, King Mongkut's University of Technology North Bangkok, Bangkok, Thailand

**Presentations:**

1. Neungjumnong, J., Yairit, S., Pattanapaiboonkul S., Rangsunvigit, P., and Kulprathipanja, S. (2012, April 11-13) Effects of FAU Zeolites on the Crystallization of Chloronitrobenzenes above the Eutectic Composition. Poster presented at International Conference on Chemical, Biological and Environmental, Venice, Italy.
2. Neungjumnong, J., Rangsunvigit, P., and Kulprathipanja, S. (2012, April 24) Effects of Adsorbents on the Crystallization of Chloronitrobenzenes. Poster presented at The 3<sup>rd</sup> Research Symposium on Petrochemical and Materials Technology and The 18<sup>th</sup> PPC Symposium on Petroleum, Petrochemicals, and Polymers, Bangkok, Thailand.
3. Neungjumnong, J., Yairit, S., Rangsunvigit, P., and Kulprathipanja, S. (2012, May 23-25) Crystallization of Chloronitrobenzenes in the Presence of FAU Zeolites. Poster presented at The First Asian Crystallization Technology Symposium, Seoul, Korea.
