Miss Rawiwan Wattanayon was born on January 6, 1988 in Narathiwat, Thailand. She received her Bachelor's Degree of Science from Department of Chemistry, Faculty of Science, Chulalongkorn University in 2009. After that, she continues to study further as a graduate student at the Department of Chemistry, Faculty of Science, Chulalongkorn University and become one of the members of Environmental Analysis Research Unit (EARU). The present address is 80/2 Jaturongrassamee Road, Bangnak, Muang Narathiwat, Narathiwat, Thailand, 96000. Contact number is 086-5125862.
